HAVE YOU SEEN THE 'LIBRARY IN A PHONE BOX' ON THE SPINE PATH?

The decommissioned phone box on the Spine Path at the junction of The Spinney and Pheasant Rise is now a small Library. You can take books, toys, CDs etc and leave ones of your own that you no longer require.

It is hoped that in the near future the phone box will be fitted with extra shelves to hold more goodies.

The Charity needs to secure £7.45 million every year to deliver our services free of charge to patients and their loved ones. About half of this currently comes from statutory sources, with further funds raised thanks to the wider local community, whose support is critical in helping us make every moment count.

Dear Editor

To all Bar Hill residents

I am very privileged to have been voted in as your local South Cambs District Council Councillor in the May election and I would like to sincerely thank all those residents who gave me their vote and support and if you didn't I would like to assure you that I will work and be available to help with any queries and problems.

Due to boundary changes in South Cambridgeshire, many villages wards have changed, consequently, Bar Hill now has one Councillor which means we no longer have Roger Hall. I would like to pay tribute to a colleague, his long service working for the village, his incredible hard work and dedication to residents and Bar Hill and I wish him well for the future.

Kind regards

Bunty Waters, Cllr Bar Hill Ward; **07734 690580**

Dear Editor

I note in the parish council report for May that the planned improvements to the Hollytrees stream have again been deferred.

I feel sure all those householders [myself included] are really pleased that the Water Vole population is again be safeguarded at the expense of the local residents.

The last flood in the area was in August 2014, I just hope that the deferred improvements are in time to prevent/ dilute the damage that might be done.

I am lucky enough to still be able to get my home insured, others are not so lucky.

Interestingly the water voles survived the flood pretty much unscathed, shame many residents homes in Hollytrees didn't.

Colin Brett, Hollytrees

Dear Editor

Many congratulations to my former colleague on the District Council, Bunty Waters, who was returned in the election on 3rd May, with over 50% of the vote.

Considering her work both as a District Councillor and chairman of the Parish Council, this vote of confidence was richly deserved.

Disappointing, however, was the pathetically low turnout in the village, with only 33.36% of those eligible bothering to vote. Only Cambourne (30.55%) was lower.

Perhaps the two-thirds of the village electorate who ignored their democratic right, should reflect on Edmund Burke's words two hundred years ago, 'The only thing necessary for evil to triumph is that good men do nothing.'

Roger Hall

MANY THANKS

Pat Hubbard and her son Peter would like to thank everyone for their cards and kindness following the death of Pat's husband Jim. They would like to thank all those who attended his funeral and for their generous donations to the Royal British Legion Poppy Appeal which raised £420.30.

SWAFFHAM BULBECK THEATRE

Swaffham Bulbeck Summer Theatre is proud to present a double bill of entertainment in 2018 – Gilbert & Sullivan's enduring operetta **'H.M.S. Pinafore'** together with **'Cox and Box'**, a one-act comic opera with libretto by F. C. Burnand and music by Sir Arthur Sullivan. This was Sullivan's first successful comic opera.

As in previous years the productions will be staged in the wonderful 'Theatre in a Barn', Downing Farm, Swaffham Bulbeck, Cambridge CB25 0NW; dates as follows:

- Wednesday 13th June 2018 at 7.30pm–£8
- Thursday 14th June 2018 at 7.30pm–£9
- Friday 15th June 2018 at 7.30pm–£10
- Saturday 16th June 2018 at 2.30pm–£7 and 7.30pm–£10.

Tickets are available via our website, www.sbsummertheatre.com or by e-mailing sbst.tickets@gmail.com or telephoning **07541 554845**. For further information about the show please contact Ruth Dennis on **01638 730659**.

Gilbert and Sullivan's 'H.M.S. Pinafore' will be set in 1918, to mark the centenary of the end of the Great War. Sailors and Wrens keep H.M.S. Pinafore ship-shape while their Captain seeks to marry his daughter Josephine to the ruler of the King's Navy. She would rather marry the common sailor of her dreams. In true G&S fashion no one is quite who they seem but in the end all are happy with their lot.

'Cox and Box' is pure Victorian farce/melodrama, telling the tale of two gentlemen who both rent what turns out to be the same room from Mr. Bouncer, an ex-military man. One sleeps during the day, the other at night, but they occasionally meet on the stairs. All goes wrong when one of them is forced to take a holiday! This delightful short piece ends with the discovery that Cox and Box are long-lost brothers.

— BAR HILL CRICKET CLUB —

We won our battle with the elements to get our season up and running, with the sun coming out just in time for us to get the pitch prepared – thanks to Dave Underhay, Jake Curry and Ash Curry for their sterling efforts!

The first team have had a difficult start to the season, having been bowled out for low scores by both Bassingbourn and Bottisham-Lode to lose their opening two league matches heavily.

The youth section have also had their first taste of the action, playing away to Cambourne with great enthusiasm in the CYCA Under-13 league, which is played on a pairs format to ensure every player has equal opportunity to bat, bowl and field.

The team are putting into practice what they have learned at the youth training sessions which take place every Wednesday at 6pm at the village green. The fees for the season are a one-off of £25, with no weekly fee, and all the boys will be given their own club shirt and white trousers so they can represent the club with pride in the CYCA league. If you'd like to find out more, come along on a Wednesday night and meet our fully qualified and DBS-checked coaching team. Parental help is also encouraged!

The month ahead promises more Saturday, midweek and youth matches, plus the Fred Styles Memorial Match against the Social Club.

Anyone interested in playing for the club in any form of cricket, please contact me on the number below. For more information about the club, visit www.barhillcricket.org.uk.

— SPEEDWATCH —

South Cambs has active and very enthusiastic Speedwatch groups and would welcome new volunteers to help them run more sessions.

The Community Speedwatch scheme trains volunteers from members of the community to get actively involved in monitoring the speed of vehicles travelling through their neighbourhood.

Volunteers are trained to use speed indicator devices which display vehicle speeds. The registered owner of any vehicle seen exceeding the speed limit is sent an advisory letter by the Constabulary, explaining that speeding is unacceptable to the local community and asking them to be more considerate.

Volunteers typically offer 1 to 2 hours a month helping to reduce the speed of vehicles driving through their neighbourhood. There is no expected time commitment, volunteers attend sessions when they like, and it's a great opportunity to meet new people, and enjoy the activity whilst benefiting your community.

Volunteers are fully trained and insured by the Constabulary. Training sessions will be held on Saturdays 12th May, 9th June and 14th July starting at 10.00am in Cambourne Police Station.

If you would like to attend please book a space via e-mail.

If you would like more information please contact speedwatch@cambs.pnn.police.uk

It is a great privilege to become the next Head of Bar Hill Primary. As an experienced Headteacher, and a Lead Improvement Partner for the Council of British International Schools, I am passionate about providing the best possible opportunities for every child. I have always valued working in a cohesive community and as a parent I know the significant impact that Home and school working together has on providing high quality outcomes. It has been a pleasure to see how much the children of Bar Hill love learning. They are quick to question and to work together.

We are a busy school with lots of enrichment activities to support learning. In the two weeks I have been here the children have enjoyed listening to Handel and watched birds of prey as part of their learning.

I look forward to building on the considerable strengths of Bar Hill Primary school and look forward to being part of your community.

****Please note the Surgery will be CLOSED on Bank Holiday Mondays 7th and 28th May****

Missed Appointments – if you are unable to attend your GP appointment, please call the surgery with as much notice as possible so your appointment can be offered to someone else. This will help us reduce our waiting times for appointments. In March, there were 71 missed GP appointments. The resulting cost is approximately *£1775, as an average GP appointment costs £25.

Don't let hay fever spoil your summer – did you know you don't need to see your GP for hay fever treatment? Hay fever and seasonal allergy treatments such as tablets, eye drops and nasal sprays are all easily available at low cost from your local pharmacy – no prescription from your GP required. Antihistamines are usually the best treatment for hay fever and these can easily be bought from local pharmacies or supermarkets. Buying a packet of 30 tablets can cost as little as £2, but if a patient goes to their GP to get a prescription then it costs the NHS considerably more. By going to the pharmacy you'll be saving yourself time and money, freeing up GP appointments for people with more urgent needs as well as doing your bit to help the NHS save money on unnecessary prescription costs.

Top tips to help ease hay fever symptoms • keep house and car windows closed, especially when the pollen count is high (early morning between 7am to 9am and evenings between 5pm and 7pm); • avoid large grassy areas, woodland, cutting the grass and car fumes; • wear wrap-around sunglasses; • use petroleum jelly inside your nose to block inhalation of pollen; • don't dry washing outside to avoid pollen sticking to your clothes; • when you get in from outside wash your hands, face, hair, rinse your eyes and change your clothes.

Stock up for summer – the warmer weather often means that we spend more time getting out and about. That's why it is even more important to make sure you stock up on some summer self-care essentials in case you need them. Key first aid essentials include • painkillers, such as paracetamol or ibuprofen; • antihistamines for allergies/hay fever; • antiseptic cream for bites and stings; • sunscreen at least factor 15 • plasters and bandages; • diarrhoea/ constipation relief medication; • travel sickness medication.

Carers Support Meetings – next meetings at Willingham Surgery: Wednesdays 6th June, 4th July at 2pm. If you are a carer, please pop along and get some support from other people in the local community. Refreshments provided, no need to pre-book and completely FREE! Please contact Sue Lawson at the surgery for more information.

Cambridgeshire Hearing Clinics 2018 – next Hearing Aid Clinics at Willingham Surgery: Wednesdays 20th June, 18th July and 15th August. No appointment necessary, just pop along for your free NHS hearing aid batteries and for help and advice regarding hearing loss.

A&E is not an alternative to a GP appointment. If we are closed, please call 111, which will direct you to the best local service.

COUNCILLOR NOTES

Composting

Residents of Cambridge and South Cambridgeshire are being encouraged to compost more of their food and garden waste.

Home composting organic waste helps to significantly reduce carbon emissions, and can be used as an effective way for residents to help reduce the amount of waste sent to landfill. According to Recycle Now, composting at home for just one year can save global warming gases equivalent to all the CO2 a kettle produces annually, or a washing machine produces in three months.

Residents can put all food waste, including bones, dairy, fish and meat as well as peelings into their green wheelie bin, along with grass clippings and other plant material from the garden. This is composted at the Amey Waste Management Park near Waterbeach to make soil conditioner, which can then be collected by residents for free, subject to availability.

Head of the Greater Cambridge Shared Waste Service Trevor Nicoll said: "Composting is nature's own recycling system. It's a fantastic way to turn kitchen scraps and garden trimmings into nutrient-rich compost, whether you have your own garden or not. We try to make it easy for residents to compost their food waste by providing kitchen caddies free of charge. These can be collected from the Guildhall, Mandela House or City Homes by Cambridge residents, or from South Cambridgeshire Hall in Cambourne by South Cambridgeshire residents."

Councils across Cambridgeshire advise residents to wrap food waste in newspaper or paper bags, or inside paper kitchen caddy liners, before putting it in their green wheelie bins.

Local residents can take advantage of low-price home composting bin offers at https://getcomposting.com/profile/login

— HEIDI ALLEN MP —

In April I joined the Prime Minister when she visited Addenbrooke's Hospital. Theresa May spoke to staff, learnt about pioneering cancer research and treatment work and also launched a £75 million nationwide fund to improve research into innovative ways of combatting prostate cancer. I am so proud of the hard-working, dedicated commitment of our NHS staff and the Prime Minister's visit showed how important Addenbrooke's is, not only to us locally, but also at a national level. The Prime Minister was briefed on the hospital's wish to build a cancer hospital on the campus. This would both develop our world leading reputation for cancer diagnosis and treatment and also free up valuable space for more general hospital work. I am pleased to report she suggested I discuss the proposals in more detail with her special advisor. I'll keep you posted!

April also saw the Health Minister Lord O'Shaughnessy visit Royal Papworth Hospital to hear from world-leading experts and see the innovative work that they undertake. Papworth is seeking sustainable funding for their DCD (donation after circulatory death) transplant programme – that's essentially the use of hearts which would not traditionally make the grade. Lord O'Shaughnessy left impressed and promised to follow up to see what might be possible.

This month sees a new timetable for Great Northern trains and I know that many of you contributed to the train timetable consultation last year. The result is a new timetable from 20th May onwards which affects all Great Northern routes. Every train, from every station has been changed with the intention of providing a more reliable service for passengers and increasing capacity. Details of the changes are available here – https://www.railplan2020.com/

Although I am pleased the operator listened to the majority of concerns raised by residents (and the original proposed timetable generated a lot!), there are still some services from Royston and Ashwell and Morden which require further attention. I will continue pushing for these amendments and will keep my website updated with progress.

I will be holding my next "drop in" surgery on 9th June 11.30–1.30pm at The Plough Public House, St Peters Street, Duxford, CB22 4RP.

Details of all upcoming surgeries can be found on my website – www.heidisouthcambs.co.uk.

If you would like to contact me, please email heidi.allen.mp@parliament.uk. You can also phone my Westminster office on 020 7219 5091 about national issues or my constituency office on 01223 830037 for local concerns.

Bar Hill Preschool is open 9am–3pm Monday to Friday, term time for children aged 2–5 years. We offer sessions through the Early years funding scheme, funded two's and accept childcare vouchers.

Our ethos is to ensure high quality care by focussing on each child's ability and interests, providing fun and exciting activities that children learn and develop skills through play in a safe and inviting environment.

Our keyperson and buddy system ensures every child is well supported by qualified practitioners who have a wealth of experience. We work in partnership with parents and our online learning journal supports this by providing families with regular information on the child's development and next steps identified, parents can upload evidence from home too and add their own comments.

Our inside area provides views across the village green in a inviting and welcoming atmosphere. Children can access toys and equipment independently. Skills are developed through activities and routines eg children help to prepare snack with safety knives and learn about how to stay healthy. Lunch clubs are a social time and adults sit at tables with children while they eat own packed lunch, encouraging friendships and social skills.

The extended outdoor learning environment provides opportunities from growing fruit and vegetables for our snack bar to exploring the mud kitchen, large sand pit and our sensory garden.

We welcome visitors from the local community that support our curriculum further.

Interested? You can find out more information on our website www.barhillpreschool.co.uk or call us on **01954 782892** to book an informal visit or for an application form.

— COUNTY COUNCILLOR'S REPORT —

County Councillor's Report

At their May meeting County Councillors decided by majority to approve Alconbury rather than Northstowe as the new site for the Council's Headquarters building. A commitment has been made to retaining a presence in Cambridge as the Council adopts a 'hub and spokes' model for its administrative operations in the future. A commitment has also been given that public access to the Shire Hall site and its ancient monument status will be protected. The move will provide savings for the Council [a figure of £57m has been given] and this refinement of the model used to deliver Council services is seen as one which will bring those services closer to local communities.

Good news this month on the funding front: Living Sport has just been awarded £500,000 of National Lottery funding to help people in new communities in the local area to stay active following a house move. Research by Sport England shows that there are nearly 15 million people who regularly participate in sport and physical activity and as a result benefit from increased confidence as well as improved physical and mental wellbeing. However, even strong habits can be disrupted when people go through a major life change such as moving into a new community which initially can be lacking in established facilities for sport and physical activity. The funding will be used to support the Active New Communities project which is supporting eight growth sites in Cambridgeshire & Peterborough due to be occupied over the period 2018-2021. In the first year the project will focus on Northstowe, Alconbury Weald and Hauxton.

Each year the County Council's Registration Service publishes details of the most popular names registered in Cambridgeshire for the preceding twelve months. Most popular boys' names for the last year were Oliver, Harry, George, William and Joshua. I wonder if we will see Louis gain popularity this year? For girls the most popular choices were Olivia, Amelia, Charlotte, Isla and Emily. Will Megan be in next year's top five names for girls? Among the most unusual names registered were Zebedee and Orion for boys and Sailor and Armani for girls.

Please do contact me about any concerns or questions you have about any local or strategic issue. If you would like to receive a copy of the full report that I write for the division's parish councils each month, please email me and I will add you to its circulation.

Honest advice with a smile, we go the extra mile!

— SCAM OF THE MONTH —

Please note there have been a significant number of Action Fraud Reports relating to this fraud.

Method

Fraudsters cold-call victims, falsely claiming to be from the Telephone Preference Service. They say for a small one-off charge they can stop unwanted calls, including from international call centres.

Victims are asked to confirm/provide their bank account details.

Result

Instead of a one-off charge, victims see unauthorised monthly debits deducted from their account.

If victims attempt to ring the number provided by the fraudster, it is unobtainable or requests to cancel the direct debit are refused.

Protect yourself

There is only one Telephone Preference Service (TPS) to opt out of live telesales calls. It is FREE to register www.tpsonline.org.uk. They will never make a charge.

Be wary of providing/confirming personal information, especially bank details, during any phone calls you have not initiated. If you ever have any doubts, hang up.

Protect others

Fraudsters often target elderly victims so keep warning elderly neighbours and family about the potential dangers of **all** cold calls.

If you have been affected by this, or any other type of fraud, report it to Action Fraud by visiting www.actionfraud.police.uk or by calling 0300 123 2040.

S DYE For all your Painting & Decorating needs. Please call 07806 629972 or 01954 230484.

WILLINGHAM CRAFT BEER FESTIVAL

28th June to 1st July at the Ploughman Hall

The Ploughman's Hall in Willingham will be the venue for a Craft Beer Festival that promises to bring over forty beers and ciders, plus gourmet food trucks to Willingham. The Bank Pub along with a small committee of volunteers have lent their expertise to the organisation of this event. It is being run as a community event and based on previous experience (they organised their first beer festival last year) they anticipate to attract upwards of 1500 people through the gates.

The main sponsor of the event is Uttridge Accounting Ltd with additional sponsorship coming from Cambridge Medical Communication Ltd (both Willingham based businesses). Because of the generosity of its sponsors, the event expects to raise a significant sum from entrance tickets that can be donated to local charities.

The organising committee would like to support both the Over Day Centre and Willingham Youth Trust from these proceeds. They see that Over Day Centre is an important community service that supports many Willingham residents and Willingham Youth Trust provides much-needed activities and events for a more youthful age group.

Willingham Craft Beer Festival will be held from 28th June to 1st July at the Ploughman Hall. See the website http://willingham.beer or @WillinghamBeer on Twitter for more information.

— NEIGHBOURHOOD WATCH —

Summer time, and the living is easy...

...especially for burglars if we are lazy about our security. With warmer days and longer evenings it is tempting to leave doors and windows open. Plus while you may be in and out of your shed a lot, you may get lazy about locking it. Burglars only need seconds to enter your home. Please don't make life easy for them.

A Burglar's paradise:-

- ◊ ground floor windows open when you are elsewhere in the house or garden
- ◊ unlocked exterior doors, even when residents at home
- ◊ unlocked garage containing equipment
- ◊ unlocked side gate
- ◊ unlocked garden shed providing tools for house break-in
- ◊ ladder lying around to aid access to upper windows
- ◊ people who think it will never happen to them
- ◊ people who don't bother to report suspicions to the police (on 101).

Think!

Be aware!

Keep your home safe and report suspicions to the Police – burglars often check out an area before committing a crime.

We're all going on a summer holiday...

...but not if your caravan is stolen.

Make sure you fit a simple tracker device and use hitch-locks, wheel clamps and alarms.

Wishing you all a safe and happy summer.

BAR HILL TITANS

Coming up to coaching the youngest age group ever to be created at Bar Hill Colts level, the 2017–2018 Under 6's have progressed somewhat this season. A team of nine boys playing some amazing football week in week out, with great team spirit and togetherness, as well as really enjoying themselves as friends just wanting to play football! This season we have played a number of games, non-competitive, against local teams at the same age group as well as recently having the experience of playing at the Abbey Stadium in a tournament. This has laid a great foundation for entering a league next season, where the newly named Bar Hill Titans will do what they do best, play football and enjoy themselves, lose win or draw.

If you have a child (girls or boys) currently in year one at school who would be interested in joining the Bar Hill Titans, then please do contact Chris Ewles for further information on 07809 413441.

REGION'S LARGEST ART EVENT SET TO RETURN THIS JULY

Cambridge Open Studios has announced the 2018 dates for its month-long summer art event, which will feature an exciting range of exhibitions by 350 artists at 221 locations in the city and surrounding areas.

Artists will open their doors to the public over four weekends in July. Among the huge range of specialisms will be: fine art, photography, pottery, glass making, sculpture, illustration, textiles, jewellery and furniture making, and more besides.

The weekends are: 7-8, 14-15, 21-22, 28-29 July. Studios are open to visit between 11am and 6pm. However, as not all artists will exhibit every weekend it is important to check the website, or refer to the famous yellow guide. These guides will be widely available in local outlets including libraries, tourist information sites, galleries and selected shops.

Getting around

New for 2018 is a partnership between Cambridge Open Studios and ofo bikes. The partnership came about to help visitors hop between studios in central Cambridge without any traffic and parking problems using the handy bicycles for hire.

With a code printed in the COS yellow guidebook, visitors will be able to claim five free one hour ofo bike rides – just the ticket for travelling between city centre locations.

Find out more online

The studios are spread throughout the whole region, not just in the city centre. As usual, the distinctive yellow COS flags will be out to identify participating studios.

In the months leading up to the open studio event, many artists will be running workshops, courses and exhibitions. Members of the public can keep up to date on their activities via the COS website (www.camopenstudios.co.uk) or by following them on Facebook, Twitter and Instagram using @CamOpenStudios, where they can also follow specific artists.

— JUNE BULLETIN — CAMBRIDGESHIRE FIRE AND RESCUE SERVICE

As the weather brightens up and the sunshine starts brightening our weeks, we welcome the longer, brighter nights and the opportunity to enjoy summer days and nights in the garden.

When powering up your BBQ's and putting out the garden furniture for the summer season, be sure to take note of our top tips below to ensure you have a fun and safe summer in the garden.

- If cooking outdoors, always check barbeques over after winter storage, keep them on level ground and ensure they are sited away from sheds, fences, overhanging foliage and property
- Keep children and garden games well away from the cooking area and never leave the barbecue unattended
- If you have a bonfire, build it well away from buildings, tents or other flammable objects and make sure it is properly out when you leave
- When out in the countryside, extinguish cigarettes properly and dispose of them responsibly – never throw a lit cigarette into a field or wooded area.
- Don't forget to stay safe around our county's waterways and if you see someone in trouble in water, call 999 immediately with clear details of your location
- When out camping or using a tent, never use candles inside or nearby and always discourage smoking nearby. Never cook inside a tent.
